

Saturday 8th October

Roslin - Easter Bush Campus

Easter Bush Campus Open Day

 DROP IN FREE

12noon to 4pm Roslin Institute All welcome

Visit the University of Edinburgh's Easter Bush Campus and see behind the scenes at The Roslin Institute building, home to scientists from The Roslin Institute and Scotland's Rural College. Meet our scientists and vets from the Royal (Dick) School of Veterinary Studies, hear about their work, take a tour of the building and get hands-on with fun activities suitable for all the family.

Dolly's café at The Roslin Institute will be open for lunches, drinks and snacks throughout the afternoon.

Free parking is available on site.

Also on the day, drop in to the Royal Society of Biology's symposium "Genomics - from Bench to Product" featuring talks from leading Scottish scientists.
