"Exciting Learning within our Friendly and Active Community of Roslin"

Our brand new P1's with Mrs Primrose and Mrs Wilson

Dear Parents/Carers

I would like to welcome everyone back to Roslin Primary after our Summer holidays. It has been particularly special welcoming our new Primary Ones. They all look so grown up in their new school uniforms. They have settled quickly into their classroom with their teachers and the transition from our nursery into P1 has been smooth. I have especially enjoyed walking around the whole school seeing all the children enjoying their learning and getting to know their teachers. Behaviour at the assembly and singing was exemplary and they children have been a delight to be with. I look forward to an exciting term ahead with many activities already planned.

Mrs Jo Wilson
Head Teacher
