Term 1 - September 2017

Our brand new P1's with Ms Herd and Mrs Wilson

Dear Parents/Carers

I am delighted to welcome everyone back to our new

school. All of the children have been really enjoying their new learning environment. It is such a pleasure to see all their smiling faces enjoying their learning. There are so many positives about the new school but some of the highlights have been: the library, the separate gym hall and expressive arts room, the P1s and Nursery together, the outdoor opportunities for play. The P1s have settled beautifully with Ms Herd and it has been an absolute delight to see them flourishing. They thoroughly enjoyed their first singing time with the whole school and were singing and dancing along! I look forward to an exciting term ahead with all the pupils, staff, parents and wider community.

Mrs Jo Wilson
Head Teacher

Playground - A gentle reminder to encourage pupils to not walk through the planting/bark so that the plants can grow and develop. P4-7s to be careful when using the swing and not to push too high to avoid accidents.

Dates For Your Diary

15 Sep	Public Holiday—School Closed
18 Sep	Public Holiday—School Closed
21 Sep	P1 Literacy Approaches—2.30pm
21 Sep	Term 2 milk money due
22 Sep	School Tours for the Community
25 Sep	School Photographer (Individual/Family Photos)
6 Oct	Harvest Assembly
17 to 21 Oct	School Holiday

Community - we are inviting the local community to come and look round the school on Friday 22nd Sept 9.15 - 10.15. P7s will act as tour guides for all our visitors throughout the year.

Playtime Snacks

A recent report released by the Royal College of Surgeons revealed that record numbers of under-fives are having rotten teeth removed. Official advice from the British Dental Association advises parents to avoid “sugary snacks”.

Faith Sanderson and Courtney McLeod were our Health Team last year and they did a presentation on healthy, un-sugary, snacks to the whole school. The big message was:

ONE SNACK FOR PLAYTIME

NO ENERGY DRINKS

We promote drinking of water for learning and ideas for snacks are 

Fruit

Rice cakes

Peppers

Oat cakes

Carrot sticks

Normal* crisps

Unsweetened popcorn

Mini cucumber

*crisps aimed at children often contain added sugar

All our children designed posters this term to help remind us of this message. Here are a few of our enthusiastic participants.
