

Roslin Nursery Class

Nursery News

Inspiring. Playful. Learning.

What has been happening at nursery?

The children have been involved in health week. We have been looking at the countries our nursery families are from and celebrating this by trying some different foods, Such as Irish soda bread, porridge and potato scones. We had a visit from Eric's mum who very kindly taught us relaxing hand massage. We were then able to then practice on each other. Other health week activities involved a visit from Kic dance where we learnt to dance out the fidgety fish story, also some African drumming from infectious groves. The children are also very interested in the tadpoles which we have in the nursery. We are watching them change and grow every day. Learning about the life cycle of frogs. The tadpoles have inspired the children's art work and this can be seen on the nursery display board.

Dairy Dates

Sports Day- Wednesday 13th June

Family Day Out- Tuesday 19th June. Time to be confirmed.

Moving On: Wednesday 27th June. Time to be confirmed. We will be celebrating the pre-school children moving on to school.

Paperwork

Many thanks to everyone who has handed in their paperwork. If you still have any outstanding paperwork please could you return this to the Nursery Office by **Friday 11th May**.

Snack Payments

A reminder Term 3 (£25.00) snack payment is due. Please use parent pay or place the correct amount in an envelope then into the nursery money box.

Your nursery needs you!

The nursery is always grateful for any junk you may have such as boxes, egg cartons or other recyclable items. We are continuing to develop our nursery garden and are always keen for parent helpers for this. Even some time to come into the nursery and plant with the children using our lovely new garden planters.
