

"Exciting Learning within our Friendly and Active Community of Roslin"

8 February 2017

Dear Parent/Carer

Roslin School Vision Statement

With the new school opening we are working together on a new school vision statement. We would like this to reflect the values and ethos of our school. The pupils and staff have come up with some ideas shown below.

- Today We Will Learn, Tomorrow We Will Lead
- Learning Today, Achieving Together
- Learning Together, Growing Together

We are really keen to get all of your ideas and have the new vision statement ready for August. If you have any suggestions, please send in the reply slip to the school office by Friday 3 March 2017.

After collating your suggestions, we will choose between 3-6 statements and the whole school community will have the opportunity to vote for their favourite.

Get your thinking caps on!

Yours sincerely

Mrs Jo Wilson
