

The School Improvement Plan sets out our priorities for the year ahead. It aims to ensure all learners receive the best possible education and that the school continues to grow and develop.

It has been written after gathering feedback from all learners and evaluations from all staff.

A full and detailed copy can be found on the school website.

## Parent Summary of our School Improvement Plan

2018

2019

ROSLIN PRIMARY SCHOOL

## Our Successes from 2017-2018

- ✓ Stronger links were made with the Easter Bush Science Centre
- ✓ At the Pupil Conference, pupils were able to share what they had been learning in science
- ✓ Teachers' plans now include French learning
- ✓ More children are achieving their targets in reading and numeracy
- ✓ Our new school layout helps us support children by nurturing them and thinking about how they are feeling
- ✓ Learning through play has developed a lot in P1
- ✓ A positive inspection for both the Nursery and the School

**An incredibly successful year in the first session of our brand new school!**

# Our Priorities for 2018 - 2019

### School Priority 1:

To help children improve in literacy and maths across the school

#### *To do this we will:*

- \* use all the information we have
- \* target learners who require challenge
- \* share good practice and ways of helping

### School Priority 2:

To keep improving our learning and teaching across the school

#### *To do this we will:*

- \* look at how we give feedback
- \* have teachers watch each other teach
- \* use the Midlothian Learner skills to help us

### School Priority 3:

To improve our teaching of science and understand the skills needed for each level

#### *To do this we will:*

- \* Develop links with others who work in science to help learners connect their learning to opportunities in the workplace

### School Priority 4:

To better prepare our learners for the world of work

#### *To do this we will:*

- \* become familiar with Developing the Young Workforce information
- \* Develop understanding of 2 key skills

### Nursery Priority 1:

To plan activities for the children that help develop literacy and maths skills

#### *To do this we will:*

- \* share more information with P1
- \* plan for high quality activities
- \* Continue Big Bedtime Read
- \* Start Stay and Play

### Nursery Priority 2:

For children to experience high quality learning opportunities

#### *To do this we will:*

- \* share good practice with other nurseries
- \* monthly self-evaluation meetings

### Nursery Priority 3:

For children to gain knowledge and skills in science

#### *To do this we will:*

- \* plan opportunities linked to science
- \* sharing of parent skills

### Nursery Priority 4:

To understand two key skills at Early level linked to the world of work

#### *To do this we will:*

- \* become familiar with Developing the Young Workforce information
- \* Incorporate key skills with our WOW tree
- \* Make links to work shared by parents
