Our school Achievement books will feature the two DYW skills with learners taking increased ownership of their books

Raise attainment in Literacy and Maths & Numeracy, aiming for the national target of 90% for all learners in P1/4/7

Improve our use of real life contexts in maths and conduct flash moderations within numeracy

Continue our work in 2 skills
from <u>Developing</u> the <u>Young</u>
<u>Workforce</u>: Communication and
Working with Others

THE LEARNER

2019-2020

LEARNING

Continue to close the gap
between most and least
disadvantaged children with all
teachers conducting
Practitioner Enquiry projects

Continue to reach the attendance target of 96%

Maintain our nurturing approach across the school

Continue improving our work in children's Health and Wellbeing, through targeted intervention, appropriate assessments, mentoring and nurture groups

By continuing our work on the Early Years Strategy, a higher number of learners will enter P1 with improved literacy attainment
