Term 1 - October 2020

Dear Parents/Carers

It has been a busy eventful term with so much going on in the school! The children have been a credit to their families and shown so much resilience to all the changes in the school due to COVID. The behaviour is excellent and the children are displaying the school values of:

- Respect
- Support
- Individuals
- Trust and Relationships
- Learning Through Play

We have been thinking creatively of how P7's can perform all their leadership roles. It is such a critical time for them that we wanted to ensure they had many opportunities. Please see overleaf for all the names in each of the teams.

We held our very first virtual House Event this morning where all classes took part in a quiz devised by the new House Captains and Mr Burt.

I am extremely proud and grateful to all our parents, carers, staff and children who continually raise money for different charities and in particular Cancer Research and the Edinburgh Sick Kids. Our grand total so far to this charity is a whopping £2,768.21.

I have given our P7 Health Leadership Team the job of thinking up what we can do on Friday 4th December to replace our normal Christmas Fair. This has always been such a popular and important

event in the school year. We will still celebrate Christmas jumper day on the 4th December and look forward to what the Health Team come up with for the children to participate in that morning.

I hope you all have a lovely October holiday and I look forward to welcoming all the children back to school on Tuesday 27th October.

Mrs Jo Wilson
Head Teacher

Congratulations to all our new leadership teams

We received a fabulous donation of toys and games from our local shop and post office last week. These have been well received by all the children in the school and they can't wait to try them.

Roslin Community Men Shed also very kindly donated £50 to our school fund. We plan to use it to buy outdoor resources for the playground.

Earlier this year we received £100 from the Roslin and Bilston Community Council. This also has been used for outdoor resources.

Thank you to our wonderful community

As the cold weather and rain starts to approach, please remember to send your children in to school with a warm waterproof coat, hat, wellies and perhaps a spare pair of socks in their bag. Please write your child's name on all items.

We always like them to be outside at break times to get exercise and fresh air. When weather is considerably bad they have the option to stay indoors. Most children, however choose to be outside despite the rain and snow.

Head Lice

- Head Lice is a common occurrence amongst primary school children and this time of the year is no exception. Please check our website under "Information" for our Bugbusting link to handy hints and tips for staying on top of it.

Macmillan Coffee Morning

Each year we take pride in supporting Macmillan Cancer Support by hosting a Coffee Morning at the end of September. Due to current Covid-19 restrictions, we could not mark this day as we normally would.

We are absolutely delighted to let you know that through your kind donations we have raised **£245.23**

Hopefully you also managed to consume some coffee and cake in the process.

A huge thank you to all of you for your continued generosity.

JUST BEFORE OUR COVID LOCKDOWN WE RAISED A FANTASTIC £150 FOR COMIC RELIEF WHILST TAKING PART IN LOTS OF ENERGETIC ACTIVITIES IN SCHOOL.
