## Primary 7 Newsletter

Dear Parents, Carers and Pupils,

While the wider world seems to have a different feel about it, I can say that Primary 7 seems as vibrant and exciting as ever. The children have settled into new routines quickly and are keen to progress their learning. They have obviously missed their friends and school life and it is great to see them spending time together both in class and in the playground.

Within Primary 7 Mandy will continue to provide support during the school day. We will also be joined by Mrs Stevenson on a Tuesday afternoon for French. We are all looking forward to a very special Primary 7 year.

Mr Burt

### Literacy

As part of our Functional Writing we are looking at the differences between Advertising, Event and Information Posters. This is helping us create our own detailed Information Posters. Within imaginative writing we are looking to create poetry both about ourselves and the changing seasons. Our first Class Novel is Wolf Brother by Michelle Paver and we are studying how the writer uses language to engage the reader. Within Listening and Talking we will be learning our Junior Tour Guide scripts.

### Maths / Numeracy

During the first term the main numeracy focus will be on Understanding Number and Number Structures while practising key Numeracy skills through, for example, 4 a day.

Within Maths we will focus on Money, encouraging the children to develop real life skills through practical activities.

### HWB

Children should make sure they have appropriate footwear to take part in outdoor activities as we will try to be outside as much as possible.

Within the classroom our main focus will be on feelings and emotions and the mental health and wellbeing of the children.

### Junior Tour Guides

The Junior Tour Guide programme offers Primary 7 a unique opportunity and we are keen to ensure this can continue even if it is in a different format because of current restrictions.

We are working closely with Illuminate and Rosslyn Chapel to deliver a filmed version of the tour which we can share with schools that are no longer allowed to visit the Chapel grounds.

### Keeping in Touch

Please feel free to contact me with any questions you may have.

You can also check the school website and Twitter. I will also be posting updates of what is going on in P7 on my teacher Twitter -
