Continue to use Resilience
Reflection Tool and Nurture
Reflection Tool to support the
Health and Wellbeing of all

To develop **Numeracy skills** in Early Years and support progression in numeracy and maths for all children.

Moving Matters Project

Promote children's health and wellbeing through active play and exercise to develop gross motor skills to support emergent mark making.

2021-2022 Vurser

Using **Progression Pathways** to develop where children need more support and use this to create learning intentions.

RSS

Using Numeracy Tool Kit to ensure that numeracy is embedded throughout our core provision. Staff will identify areas to develop, monitor and extend

Staff will develop a deeper understanding of Realising the Ambition and implement into practice.

This will be achieved through:

- * Weekly planning meetings
- *Monthly Team with SLT
 - * Evaluate as a team
- * Observations will capture significant moments of learning
 - * Peer and local moderation
